Dimsdale Industrial Park, Dimsdale, Alberta

Know your zoning and the value each brings. This is Country Industrial! It provides an opportunity for small businesses that 'cannot be defined as Home Occupations' not ready or large enough to operate in a standard Industrial District, to operate in a Country Residential setting among other similar businesses. CR-5 provides a residential district in which major 'home based businesses' will co-exist with residential uses. In other words, many have had to buy an acreage, perhaps with a shop, however depending on the business usage have to rent and commute to another shop! Let's see if your business suits Country Industrial while allowing you to reside there as well.

Dimsdale CM-Country Industrial zoning! 3 fenced-acres ready for business. 40'X70' heated shop with concrete floor, ideal 2 1/2" drain slope into central pit. 2-piece shop bathroom as well. Adjacent 27'X27' detached garage also concrete floor with power. Bungalow across the yard has a great yard. This truly is an ideal work and reside location. One bed up, main bath and laundry room. Kitchen and dining space open to living room. Open basement has bedroom and full bath plus open family room space. Attached heated 26'X32' double garage. House ready for shingles. Check the virtual tour to wander the big shop and the garages plus the home.
