Heritage Home & Utilities

The original farmhouse is rich with character,

built from solid fir and topped with a durable tin roof. While it requires updates, itâ€™s a solid foundation for customization. The main floor includes a kitchen, living area, sunken family room, one bedroom, small bathroom, and laundry room. Upstairs youâ€™ll find three more bedrooms and a spacious rumpus room.

Included appliances: fridge, stove, dishwasher, washer, and dryer

Heating: Wood-burning stove for cozy, year-round comfort

Water: Three wells (1 soft, 2 hard), with filtration system

Septic: Updated in 2017

Infrastructure for Serious Agriculture

Barn: Heavy-duty metal barn with 8 large birthing/bull stalls, power, water, and a bathing area

Quonsets:

Large (40' x 120') â€“ 12 metal horse stalls, powered

Medium (40' x 60') â€“ Straight-sided, ideal for riding, auctions, and events

Additional Outbuildings:

120-ft metal shop with multiple bays, drive-through access, and oil pit

200-ft bull shelter with 6 paddocks, auto-waterers, and steel fencing

Several three-sided livestock shelters (both newer and older)

Livestock System:

16 interlocking pastures

14 auto-waterers on cement pads (not all in use)

Storage:

4 steel grain bins

3 large fuel tanks included

Recreational Value & Lifestyle:
