Welcome to your dream property: a refined country retreat nestled on 41+ picturesque acres, combining the charm of rural living with the luxury of thoughtful design. This stately two-storey home boasts four spacious bedrooms, four elegant bathrooms, and a double attached heated garage for seamless convenience.

Step through the grand front entry, where soaring ceilings frame an open view to the upper level. The heart of the home is a gracious great room, centred around a stunning wood-burning fireplace clad in floor-to-ceiling stone – a perfect space for cozy evenings and cherished gatherings.

The chef's kitchen is simply divine, featuring a Wolf gas range, JennAir refrigerator, Corian countertops, and solid wood cabinetry. A walk-in pantry provides abundant storage, while the adjacent breakfast nook, with charming bay windows, overlooks the peaceful backyard. Entertain guests in the formal dining room – an ideal setting for holidays and special occasions.

The main floor also includes a primary suite with a generous closet and a spa-inspired five-piece ensuite, offering views to the back of the property.

A well-placed powder room is conveniently located near the garage entry.

A beautiful guest inspired bedroom is at the front, with southerly views towards the mountain. Conveniently next door is a 4pc main bath.

Upstairs, discover two additional bedrooms, a full bathroom, and a versatile living area for family or guests. The lower level extends your living space with a spacious family room, a potential for two more bedrooms – a flexible layout to suit your lifestyle.

Modern comforts abound, with fan coil heating, in-floor boiler heat in the basement, and well-planned storage throughout. Step outside to a built-in outdoor fireplace off the deck – perfect for summer entertaining beneath the stars.

The fully paved driveway offers a turnaround and ample parking. A standout feature is the 40' x 80' heated shop with radiant overhead heating, concrete flooring, a partial bathroom, and an office – ideal for hobbies, business, or storage.

The pasture is thoughtfully fenced with corrals, ready for livestock or future expansion. And don't overlook the bonus: passive sign revenue from the highway frontage adds a practical touch of financial charm.
