Alright! stop scrolling. You've just found it. That unicorn listing everyone's been waiting for.

This is a fully developed walkout home backing directly onto a peaceful ravine in the heart of Kincora. No rear neighbors. Just wide-open skies, mature trees, and that feeling of privacy we all crave.

Tucked away on a quiet cul-de-sac, this home has been lovingly maintained by the original owners - and it's never been on the market until now.

Step inside and you're greeted by a bright, open-concept layout designed to make the most of natural light. The large windows frame the ravine views perfectly, creating a sense of calm and connection to nature throughout the home. The main living area features a cozy gas fireplace, perfect for curling up on winter evenings, while the skylight above adds even more daylight to your everyday living space.

The kitchen is modern and functional, complete with quality finishes, plenty of storage, island seating, and everything you need to prep meals or entertain with ease.

Nearby, you'll find a dedicated dining area for family dinners or special occasions, and a main floor office that makes working from home feel anything but routine.

Upstairs, the bedrooms are all generously sized, with the primary suite offering space to unwind, a walk-in closet, and a beautifully appointed ensuite. Downstairs, the fully developed walkout basement gives you even

more room to spread out - whether thatâ€™s movie nights, a kidsâ€™ hangout, or a home gym. Thereâ€™s also plenty of storage, including an exterior shed for your gear and seasonal extras.

Additional features include Hunter Douglas blinds throughout, two hot water tanks, an electric heater in the garage for winter mornings, and thoughtful finishes that speak to the pride of ownership in this Jayman-built home.

Step outside and youâ€™ll see why this oneâ€™s special: an entertainerâ€™s dream backyard with a spacious glass-railed deck, a stone patio with a cozy fire pit, a private hot tub, and those panoramic ravine views that never get old.

Youâ€™re minutes from everything â€“ Costco, Creekside, Beacon Hill, restaurants, and Stoney Trail for quick access to the entire city. Plus, you're steps from green space, transit, and scenic walking paths that connect you to the beauty of Kincora.

Hereâ€™s the truth â€“ homes like this donâ€™t come up often and wonâ€™t last. If youâ€™ve been waiting for the perfect combination of location, layout, and lifestyleâ€¦ this is it.
