Thickwood, Fort McMurray, Alberta

Welcome to this cozy, character-filled bungalow nestled on a mature lot in one of Thickwood's most convenient locations – just steps from shopping, bus routes, and with quick access to both north and southbound highways.

Inside, you'll find three comfortable bedrooms on the main floor, including a primary suite with its own private two-piece bathroom. The updated kitchen steals the show with warm butcher block countertops, tile backsplash, stainless steel appliances, and a rustic-modern charm that fits the home perfectly. The open living and dining area is bathed in natural light, creating a bright and welcoming space to gather.

Downstairs offers a fantastic extension of the home with a spacious rec room featuring new vinyl plank flooring, a flex area complete with a wet bar, and a sleek three-piece bathroom. You'll also find a large laundry room with plenty of extra storage, a fourth bedroom, and an additional storage room to keep things tidy.

Outside, you'll fall in love with the curb appeal, sunny backyard, and space galore. The extra-long driveway provides tons of parking – RVs, trailers, toys, you name it. The double detached garage is a dream with gas radiant heat and a 240V plug-in, ideal for hobbyists or those who need a serious workshop. The backyard is fully fenced, gets

all-day sun, and includes a deck for laid-back evenings or entertaining friends.
