NONE, Stirling, Alberta

Nestled on a generous corner lot in the peaceful village of Stirling, this storybook 1.5-storey home offers more than just a place to live—it offers a lifestyle.

Surrounded by mature trees, saskatoon bushes, and tucked just across the street from Stirling School, this home is perfectly positioned for families and anyone seeking the charm of small-town living with all the essentials just steps away.

Inside, discover over 1,500 square feet of warm, inviting space filled with natural light. The spacious main floor features a large living room with east-facing windows—perfect for sunrise coffee moments—while staying cool through the afternoon. The kitchen is well-appointed with stainless steel appliances, a gas range, and a layout that blends function and comfort. The dining room is impressively large, ready to host everything from holiday feasts to weeknight dinners for a crowd.

The main floor also offers a spacious primary bedroom that easily fits a king-sized bed—plus room for all of life's extras—and a second bedroom featuring custom-built triple bunks and a fun climbing wall. The updated 4-piece bathroom adds modern comfort, and upstairs, the loft space provides a third bedroom and the flexibility for a fourth, a home office, playroom,

or creative studio.

Thoughtful updates throughoutâ€”vinyl windows, updated siding and roof, a new water heater in 2024â€”add peace of mind.

But what really sets this property apart is the outdoor space: a gardenerâ€™s dream, a dogâ€™s paradise, and an entertainerâ€™s retreat all in one.

Whether itâ€™s growing your own produce, enjoying sâ€™mores around the private firepit, or tinkering in the 31-foot deep detached garage (yes, even your long-box pickup will fit), this yard is built for living. This is more than a houseâ€”itâ€™s a place to put down roots, grow, and create memories. Donâ€™t miss your chance to experience it in person.
