3 Bedroom, 3.00 Bathroom, 1,485 sqft
Residential on 0.03 Acres

Alpine Park, Calgary, Alberta

OPEN HOUSE - SUNDAY NOVEMBER 2ND -
12:00PM - 2:00PM - THIS IS WHAT
HAPPENS WHEN SOMEONE WITH TASTE
BUILDS A TOWNHOME. 309, 437 Alpine
Avenue SW is proof that design can feel
intentional without feeling forced. Every
choice—from the MATTE BLACK
HARDWARE to the calm flooring
tones—lands exactly where it should. The
result is a home that feels composed,
confident, and quietly refined.

The PRIVATE WEST-FACING ENTRY feels
residential in the best way—no shared
corridors or echoing stairwells—just your own
address and an intentional sense of arrival.
Inside, the palette stays grounded: warm
Toasted-Almond LVP floors, QUARTZ
COUNTERS that actually reflect daylight
instead of glare, and BLACK FIXTURES that
give definition without shouting. The main floor
flows the way life actually happens—work
and breakfast colliding on one KITCHEN
ISLAND, coffee drifting onto the
EAST-FACING BALCONY, dinner stretching
past sunset because the space simply works.

Upstairs, THREE BEDROOMS pull off that
elusive balance of practical and personal. The
master keeps its composure with a clean
ensuite and a closet that doesn't need to
apologize. The other two are
flexible—guest-ready, office-worthy, or
both—and the laundry is mercifully where you

live, not where you forget.

Downstairs, the TANDEM DOUBLE GARAGE doesn't just park cars; it swallows gear, bikes, and the freezer full of backup meals. It's the kind of everyday functionality that rarely gets design credit but deserves it here.

And beyond the front door: Alpine Park. A southwest community built around connection, walkability, and a sense of design that actually matters. Sidewalks lead to cafés instead of cul-de-sacs, and parks show up right where your day needs a reset.

Possession is set for November 2025. Bring your sense of taste—everything else already fits. PLEASE NOTE: Photos are of a finished Showhome of the same model—fit and finish may differ on finished spec home. Interior selections and floorplans shown in photos.
