Excellent value in this rare, 2 LEVELS, END UNIT townhome in the Beltline. The main floor of the home features a bright living room (w/ fireplace), dining room and kitchen (w/ sit-up breakfast bar). The equally impressive lower level showcases a large office, substantial laundry room and primary suite complete with a PRIVATE PATIO area and a huge walk-in closet. The in-floor heating system was recently updated and the carpet and vinyl plank flooring throughout is newer as well. Additionally, this unit has a parking stall in the underground parkade (w/attached storage) and it also has access to street parking, right out the front door! Chateau Falls features a courtyard with a stunning fountain and gated access. The entire building has been incredibly well maintained, with newer cement fibre board siding and rubber membrane roofing as well as windows, doors and hardware.
